

*ART OF THE MASTERS PROGRAM*  
*PRESENTS THE LIFE & WORK OF*  
**CLAUDE MONET**

> Claude Monet (1840 - 1925), the founder of Impressionism, was one of the most influential landscape painters in the history of art. Born in Paris, Monet met fellow Impressionists Renoir, Sisley and Bazille. Together, these artists painted outdoors to convey the fleeting effects of atmosphere, time of day, and season upon color and light.

> During our hands-on session, each student will have the opportunity to choose a nature inspired image. Using Japanese inks, we will "paint on water" to create a one-of-a-kind masterpiece. Afterwards, all artwork will be framed to enjoy!
